WHERE CAN I GET A GOOD BAGEL AROUND HERE?

**If you're visiting New York, you'll probably ask that question.
If you're a native New Yorker, you probably know the answer.**

See, like most New Yorkers, we love bagels.

But as much as we loved bagels, we somehow couldn't find the best ones.

So here's how Bagel Story really began.

We had enough of the stale bagels.

The ones that were too chewy.

The ones that tasted like they came out of a factory.

The ones with spooky ingredients.

We started Bagel Story with a mission to change all of that. To serve freshly-baked bagels right before your eyes made with the simplest ingredients. No preservatives. And all made entirely on site (including our specialty cream cheeses and breads).

It can't get any better, can it?
